

As scientists we will be...

- Identifying and naming plants and trees
- Identifying and labelling parts of a plant
- Discovering how plants have changed over time

- Naming and identifying animals
- Omnivores, carnivores and herbivores
- Naming and labelling basic body parts

Using our computing skills we will be Digital Scientists.

- Stop frame animation
- Plants over time

As Spanish speakers we will learn...

- learning to talk about our families

In PE we will be fit and athletic...

Throwing, running and sprinting

As writers we will be...

- Writing stories with repetitive phrases
- Telling stories which reflect our own experiences
- Writing our own instructions

As mathematicians we will be...

- Comparing, ordering and patterns
- Measuring
- Money problem solving

As artists and designers we will be...

- Practising the skills we have learned so far to create our RE project

In RE we will be discovering...
How Christianity is represented in art and design
In PSHE we will be exploring...
Our relationships with friends and family

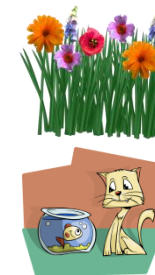

As explorers we will be...
tbc

Year 1

Summer 1

Our Learning Questions

- How does your garden grow?
- How are animals different?

Homework:

Mathematics and writing homework is set on Wednesday to be returned the following Tuesday. Children are expected to read for 20 minutes and to practise maths facts and spellings daily.
