

As scientists we will ...

- Compare how things move on different surfaces
- Understand that magnets attract some materials but not others
- Understand that not all forces require contact

As writers we will be...

- Writing a persuasive letter
- writing an alternative version of a traditional tale

As mathematicians we will be...

- Ordering, comparing and place value
- Mental strategies
- Multiplication
- Measure
- Geometry

As geographers we will ...

- Identify key global terms such as the equator and the tropics
- Latitude and longitude

Using our computing skills we will be advertisers.

- Photography – digital cameras
- Editing
- Online research

As Spanish speakers we will be learning...

- What's in Hackney?

In PE we will be great at Tag Rugby and handball players. Passing, Positioning, Attacking, Defending, Shooting

Year 3

Spring 1

As artists and designers we will be...

Creating a two colour string block print
Using CAD to create a design

In RE we will be discovering...
What the Torah means to Jews

In PSHE we will be exploring...
Our dreams and goals

As explorers we will be...

Our Learning Questions

- Why are there lines on a globe?
- Do all forces involve contact?

Homework:

Mathematics and writing homework is set on Wednesday to be returned the following Tuesday. Children are expected to read for 20 minutes and to practise maths facts and spellings daily.
